OGE OBUBU

Frontend Web Developer

Experience: 1 year | **Available:** Immediately | **Location:** Lagos

ogeobubu@gmail.com | +2348146347130

ABOUT ME

I'm a Front-end developer with a background in working effectively in a dynamic environment. I stay focused on ensuring project(s) is/are done at a stipulated time if not before and with accuracy. I code designs into scalable and user-friendly websites using frontend languages such as HTML5, CSS3, JavaScript with a touch of React.
